DROPPING OFF AND COLLECTING CHILDREN

Children must be signed into Before School Care, out of After School Care and signed both in, and out of, Vacation Care sessions. This must be done by an authorised adult, as identified on the enrolment form.

The service uses the QikKids Kiosk for sign in/out – this is an electronic system that records accurate attendance times and is a requirement of the Office of Early Childhood Education. If not done correctly it may impact your Child Care Subsidy (CCS).

The service closes at 6:00pm. If you are running late without notification, the coordinator will endeavor to contact parents/guardians or emergency contacts as listed on the enrolment form. If no one can be contacted, the Police will be contacted for assistance.

GOVERNMENT SUBSIDIES

As an approved service Peregian Kids can work with families to secure significant rebates on childcare fees. Our enrolment process captures the data required to determine eligibility and the level of subsidies a family can receive.

The Child Care Subsidy (CCS) commenced in July 2018 and is a single, means-tested subsidy.

You must complete a Child Care Subsidy assessment online to check your eligibility and entitlement to CCS. In order to do this, you need to sign into your Centrelink online account through MyGov:

- (1) Select 'Complete your Child Care Subsidy' assessment task
- (2) Work through the steps to give Centrelink new information and confirm your current details.

The amount of the new Child Care Subsidy you will be entitled to will depend on three key things:

- How much 'recognised' activity you and your partner undertake each fortnight. The entitlement is based on the lesser activity figure for a member of a couple.
- What your combined family income is.
- The childcare fees you pay (hourly rate caps apply for each service type).

To obtain an estimate of your subsidy you may wish to utilise the calculator found at <https://www.childcaresubsidycalculator.com.au/>

PAYMENT OF FEES

All fees must be paid one week in advance via direct debit from your nominated bank account or credit card for permanent bookings.

Debits are processed each Friday (except for Public Holidays when they are processed on the Thursday). Parents are provided with a statement each time a payment is processed, showing the current weeks attendance and bookings for the coming week.

Casual bookings are paid for on the Friday prior to the child attending, or the Friday of the week of attendance, depending on the booking timeline.

All payments are managed through the Qikkids Child Care Management System and Debitsuccess. Qikkids enables the electronic transfer of any Child Care subsidies due from Centrelink to Peregian Kids to offset the full fees payable.

To access this funding, you need to provide a parent and child Customer Reference Number (CRN) and Date of Birth. If you provide the required information and you are eligible for Centrelink assistance, you will only be charged the gap between the full fees payable, and the subsidies received.

Please ensure you have sufficient funds in your account to cover your weekly fees. Any charges that result from rejected payments, along with any extra fees and charges, will be debited directly from your account.

Unfortunately, the non-payment of OSHC accounts may result in your child being unable to access the service until the situation is rectified.
